It's the Year of the Rabbit, almost Easter and a wrap for the UVic Rabbit Rescue!

A celebration is a must!

It's the final goodbye for the last of the UVic bunnies who head to their new home at the **Precious Life Animal Sanctuary in Sequim**, Washington on April 20th.

Come meet some UVic bunnies (or at least their offspring), giant Easter rabbits and other furry friends
Bring your own pet rabbit! **Dr. Uri Burstyn from the Arbutus West Animal Clinic** will be conducting health checks (by donation) and the **Right Touch Mobile Massage Chair** will be on hand for the humans!

Yard sale items include **bunny cards, art, crafts, posters, ornaments, fine china, stuffies and other toys, glassware, knickknacks, jewelry, kitchen items, small furnishings, electronics, books, CDs, DVDs** and much much more!

Material on rabbit care, 'Rabbitats', rabbit advocacy and rabbit adoptions (manned by **Homefinders**) will also be available.
